PROD'HYG
we personally care

INGREDIENTS FROM LATIN AMERICA : QUALITY AND TRACEABILITY

Aloe extracts

Natural Moisturizing and Soothing Agent

1 to 5%

Sourced in Mexico, Aloe gel is an efficient moisturizing agent. It helps to inhibit inflammations and soothes the skin. Prod'Hyg offers aloe extract in a wide range of solvents.

CHINA COMPLIANT

Saponin from Quillaja extract
Andean® QDP - Ultra Organic

Organic
Sebum Regulating Agent

2%

Grown in Chile, Andean® QDP - Ultra Organic is active on skin balance. It decreases significantly skin sebum and reduces skin irritation.

ECO CERT® COSMOS CERTIFIED*

CHINA COMPLIANT

Jojoba Oil

Organic Emollient

Up to 100%

Harvested in Peru, Jojoba oil is almost non-oxidizable and has a high stability. This oil offers moisturizing properties and can regulate sebum production.

ECO CERT® COSMOS CERTIFIED*

CHINA COMPLIANT

Tara Gum
Prodhygel®T

Natural Gelifying Agent

0.25 to 2%

From Peru, Prodhygel® T is a natural thickener. Thanks to its velvety and non-sticky touch, it improves the sensoriality of formulas.
